Learn to make items that you can share with your other troop members. Explore what you like using our materials. This is a FUNdraiser for Troop 588 to support their Savannah Trip in June, 2018.

**\*NO REFUNDS** unless the event is cancelled. Crafts are GIRL-CENTERED so there are no discounts for additional Girls in a family. Open to all ages of Girl Scouts. There will be several crafts specific to Junior Level and Beyond Girls due to their difficulty level. This is NOT a Drop-Off event.
